

CU*EASY PAY (Member On-Line Bill Payment Program)

Requirements

Must have a checking account. Can use two checking accounts under the same member number. Can only be accessed through our online account access through our data processor's secure website.

Enrollment

Members can enroll through online account access by choosing the "Pay Bills" button or by coming to the Credit Union. It takes 24-48 hours for an approval.

Members must come to the Credit Union Office to re-enroll if they have been un-enrolled. Once enrolled, you need to read the TERMS AND CONDITIONS. The Terms and Conditions can be found by choosing the Help tab then the Terms and Conditions tab.

Fees

Enrollments are free.

The monthly fee for members is \$6 per month and free for CU*Tech members. The fee will be waived for members enrolled e-statements.

Unlimited transactions per month.

The inactivity fee for accounts that do not have at least one transaction scheduled with a due date for the month will be \$6 per month.

Fees will post by the 10th of the following month to the checking account.

NSF Fee and Overdraft Protection

See the most current Credit Union Fee Schedule for the non-sufficient funds fee per item.

Overdraft protection is available. Whatever is set up currently for the checking account you are using will be the accounts used for overdraft protection.

Un-enrollment

When a member chooses to close his/her checking account or un-enroll during the month, all fees incurred during the month will still apply and must be paid by the member.

When a member has caused the Credit Union a loss or has a history of non-sufficient funds, (at Management discretion), they will be un-enrolled from CU*Easy Pay and charged for any fees that have incurred during the month.

Scheduling Payments

Remember when scheduling your payments to allow 5 – 7 business days for the funds to be received at their final destination.
